

Actual Black Fury® Blade & Body Sizes

trout, panfish,
grayling

large crappie, all bass species, salmon,
large trout, steelhead, walleye

musky, pike, largemouth
bass, stripers, large salmon

The special Black Fury® blade spins closer to the body than the classic Aglia® blade so it easily fishes shallow to mid-depths. This is an excellent low light (early morning, evening or overcast) spinner as well as a perfect choice for sunny days in less clear waters. The dressed version features bucktail or squirrel tail.
