

Ultra Lite & Spin Fly

Mepps® #00 Ultra Lites and #0 Spin Flies are ideal for light spinning tackle. They can also be used with your favorite fly rod. Use silver or gold Aglias to take panfish or trout on a crisp spring evening. Just before sunup or sundown, tie on a Black Fury®. Copper blades are very visible in stained water. Work a single hook Aglia® Wooly Worm or single hook Black Fury® through the weeds for great fishing action.
