sexy shad

G-GSH
golden shiner

G-PCH
perch

- Designed with an emphasis on catching big smallmouth bass on big bodies of water
- Hand painted blades & bodies with glitter which mimic various bait fish patterns that bass feed on, in addition, adds contrast to the blinding underwater flash of our silver, gold, copper & black nickel blades
- The heart of any in-line spinner is the clevis. Our folded solid brass clevis is what allows the blade on every Mepps® lure to start spinning as soon as the lure hits the water
- Perfect balance of premium hand-tied bucktail & flashabou. The flashabou is designed to be more pronounced in the middle, creating extra tail action & more flash when swimming through the water
- The dressed treble hook on the Bronze Slammer is designed to offer an extra large profile that is over 20% larger than our standard Dressed Aglia® profile
- VMC® Barbarian® Treble Hook features a technical locking curve, offering a 25% improved hook up rate, which decreases the chance of losing out on a big fish

Stock No.	Size	Approx. Wt.	Price
<i>Bronze Slammer</i>			
BS3T	3	¼ oz.	\$10.40
BS4T	4	½ oz.	11.10
BS5T	5	½ oz.	11.10
